1. Chapter 1

Sonny Kiriakis returns to Salem for the first time since he buried his husband Will Horton.

>Sonny goes to his old apartment to pack up the last of his things; he looks around at Will's things and can't decide what to do with them.<p>

Sonny is in the bedroom packing his last bag when he hears someone entering the apartment.

>Hello whose there, Sonny calls out from the bedroom.
Sonny it's me, Will replies coming into the room.

>Will, Sonny say's rubbing his eyes in disbelief.
What's wrong Sonny, Will asks puzzled by his reaction?

>Will you can't be here, Sonny replies shocked.
Why Sonny this is our place and you're my husband, Will replies going into the bathroom after he kisses Sonny on the cheek.

Sonny sits on the bed shocked and confused until Will comes out of the bathroom.

>Will removes his shirt and then his pants and puts on sweats and a t-shirt.
Sonny watches him still in shock.

>Will you're dead, it can't be you, Sonny tells him.
Dead, Sonny Horton Kiriakis are you drunk or something, Will asks sitting next to him on their bed?

>Will you were murdered back in October, Sonny tells him.
Will takes Sonny's hand and puts it under his shirt and over his heart.

>See Sonny I'm alive, Will replies.
Hey how about we have Pizza tonight, I'll go order it, Will tells Sonny leaving the room.

>Hey Sonny have you seen my wallet, Will asks him from the living room?
Sonny walks into the living room and looks at the spot Will's body was found and then up at Will still stunned.

>Will you died you must be a ghost or something, Sonny tells

him.
Either that or I'm losing my mind, Sonny adds.

>Will walks over to Sonny and kisses him on the lips and Sonny pulls away at first then wraps his arms around Will and returns the kiss.
Babe how is this possible, Sonny asks Will looking into his eyes?

>Sonny what's wrong with you, Will asks again?
Sonny maybe I should call a Dr or you mom or dad, Will says going over to the phone.

>My mom babe, call her Will go ahead, Sonny says.<p>

Will dials Adrienne and she answers.

>Hi Adrienne something is wrong with Sonny can you come over, Will asks her?
Who is this, Adrienne replies confused?

>Will, its Will you know your son in law, Will replies wondering why she's so surprised he called.
NO, Will is dead, Adrienne replies shocked.

>Who is that you're talking to Adrienne, Lucas asks?
Will, he said he's Will, Adrienne tells Lucas as she hands him the phone shocked.

>Who is this, Lucas demands to know?
Dad calm down it's me Will your son, Will replies to Lucas.

>My son died last year, now who the hell is this and how dare you pull a prank like this, Lucas tells Will.
Dad what the hell is going on, why do you Adrienne and Sonny keep saying I'm dead, Will asks annoyed?

>Sonny walks over to Will and takes the phone out of his hand.
Lucas get over here right now, I don't know how but it really is Will, were at our old apartment, please come now, Sonny tells him.

A little while later the doorbell rings and Sonny lets in Adrienne, Justin and Lucas.

>Where is he, they all ask Sonny as they enter the apartment?
Babe, Sonny calls out still in a state of shock.

>OK so now maybe one of you will tell me what the hell is going on Will says coming out of the bedroom?
WILL, Lucas scream's as he runs to his son and hugs him.

>But Will you died last October, how can you be alive; Adrienne asks looking over at her son in law in disbelief?
Dad what the hell is going on, Will asks Lucas frustrated?

>Will you were strangled to death by Ben Weston last October, Sonny tells Will.
Sonny I have no idea what you're talking about, Will tells him.

>Do I look like I was strangled, Will asks Sonny?
Sonny just stares at Will.

>Well do I, Will asks Sonny again when he doesn't answer him?
No you don't, Sonny finally replies to Will with a puzzled look on his face.

Justin walks over to Will.

>Will what is the last thing you remember, Justin asks him curious?
Well, Sonny and I argued about money this morning, he emptied out our joint account and acted like it was all his money and my opinion or approval didn't mater, Will replies looking at Sonny.

>Will that happened well over a year ago, Sonny tells him.
Over a year ago, Sonny it was just this morning don't you remember, Will asks him?

>No Will that happened over a year ago, Sonny replies taking Will's hand.
Will looks at Sonny then his father and finally his in laws

in complete disbelief at the amount of time they claim has passed.

OK look I'm calling EJ maybe he can make you guys return to sanity, Will says picking up the phone.

>Will, EJ is dead, he died over a year ago don't you remember, Sonny asks him concerned?
No Sonny no, it's not possible, EJ is not dead, Will replies.

>Will how about I call Rafe, Adrienne asks him?
Yes call him maybe he can understand what's going on here, Justin tells Adrienne.

>Call him Adrienne hopefully he can tell me whats wrong with all of you, Will tells her.
Adrienne calls Rafe and tells him he needs to come over to Will's old apartment that something new has happened.

>Rafe arrives at the apartment a short time later and is shocked to see Will as Sonny opens the door.
Will, but you're dead; Rafe says shocked as he looks at him.

>Not you too Rafe, what the hell is going on here, Will demand's to know?<p>

Sonny gets an idea.

>Will what year is it, Sonny asks him?
2014, Will replies to Sonny.

>Will it's 2016, Lucas tells him.
2016 that's not possible, Will replies to Lucas.

>Will it is 2016, Sonny tells him.
Will sits down on the couch shocked and puzzled over what's happened and Sonny sits with him holding his hand.

Rafe calls Roman and Hope and asks them come over to the apartment but doesn't tell them why.

>Roman and Hope are shocked that Will is alive and even more shocked that Will thinks its 2014.<p>

Will is taken to the hospital.

>Will agrees to have his blood tested and to be fingerprinted, both confirm he's really Will Horton.
The Dr gives Will a through exam and tells him he's in fine shape except for his loss of memory, the Dr also discovers some marks on Will's left ankle that could be from a restraint of some kind.

>Will, where did you get these mark, Sonny asks him looking at his ankle?
I don't know Sonny, Will replies confused as he looks at them.

>I know they weren't there this morning, Will adds confused.<p>

In the Hospital waiting room Victor Kiriakis arrives.

>What the hell is going on, why did you want me to come here, Victor asks Justin, Adrienne and Lucas?
It's Will, Victor he's alive, Lucas tells a shocked Victor.

>How is that possible we buried Will last October, Victor asks Lucas?
Victor, Will walked into his and Sonny's apartment earlier today and he thinks its still 2014, his last memory was of him and Sonny arguing over the joint savings account Sonny emptied without telling him for the club he failed to open, Lucas tells Victor.

>So if Will is alive then who was murdered, Victor asks Lucas?
We don't know Victor, Adrienne tells him.

>Where is Sonny, Victor asks?
He's in the exam room with Will, Justin tells Victor.

Rafe come out after talking to the Dr.

>Well here's what we know Rafe tells the assembled group.
The man in that room with Sonny is Will Horton, he's fine except for believing it's still 2014, he also has marks from some kind of restraint on his left ankle, Rafe tells the group.

>Rafe if that's really Will then who the hell did we bury in that grave in October, Lucas asks?
I don't know Lucas but Hope is getting permission to exhume that body, Rafe tell him.

>Maybe then we'll get some answers, Rafe adds.
Rafe is it possible Will was kidnapped, Adrienne asks him?

>It's a strong possibility Adrienne, Rafe replies.
But if Will was kidnapped then the man that was murdered was an imposter, Victor tells Rafe.

>Why would someone do that, Victor asks Rafe?
I don't know Victor, Rafe replies.

>But I'm sure as hell going to find out, Rafe adds.<p>

Rafe, Roman and Hope question Will for several hours, but he still has no memory of what's happened or where he's been.

>Finally Roman tells Sonny to take Will home to get some rest.
Will falls asleep as soon as his head hits the pillow.

>Sonny lies in bed next to him unable to sleep, he's both worried and excited about what's happened.<p>

The following day the body is exhumed and an autopsy is conducted at the morgue.

>Well the I compared the dental work of the exhumed body to that of Will Horton and they don't match, The Dr tells Rafe, Roman and Hope
I also discover that the exhumed body underwent plastic surgery to his face and that the scars on his body are only on the surface, the Dr tells Rafe, Roman and Hope.

>So then this man was made to look like Will Horton Dr, Rafe asks?
Yes, the Dr replies to Rafe.

>Well it's clear it wasn't Will that was murdered, Rafe tells Hope and Roman.
But why would someone go through all the trouble to kidnap Will and replace him with a imposter, Hope asks Rafe and Roman?

>I don't know, Roman replies to Hope.
Dr can we still get a set of fingerprints off that body, Roman asks?

>Only partial prints I'm afraid, the Dr replies to Roman.
Is there any way to figure out who the hell that is, Rafe asks the Dr?

>Well the plastic surgery destroyed his original facial bone structure so we can't do a facial reconstruction that would be accurate enough to help identify him, the Dr tells Rafe.<p>

I don't understand this why was Will kidnapped and more important why doesn't he know that over a year has passed since he was, Roman asks Hope and Rafe after the Dr leaves the room?

>Hypnosis maybe, maybe someone erased his memory when they let him go, Hope suggests to Rafe and Roman.
Well that a good working theory, Roman tells Hope.

>Hope if it was hypnosis that blanked out Will's memory then what would happen if he were hypnotized again, could learn anything useful, Rafe asks her.
We need to ask Marlana that Rafe, Hope replies.

>Roman who would have the ability to have this done, kidnap Will and replace him with a imposter and blank out his memory as well, Hope asks?
Well the DiMera's, Victor Kiriakis and maybe Clyde Weston, Roman replies to Hope.

>All right we have a starting point for our investigation, Hope tells Roman and Rafe.<p>

At Will and Sonny's apartment.

>Will and Sonny have just made love when they hear someone in the living room.
Hello Sonny, Will, Gabi calls out entering the apartment with Ari.

>Will and Sonny both jump up and throw on cloths and run out into the living room to see Ari and Gabi.
Daddy, da da, Ari yells out running to a shocked Will.

>Will looks at Ari in disbelief for a moment.
She's gotten so big, Will says shocked as he picks Ari up.

>Gabi runs over and hugs and kisses Will then Sonny and cries from happiness at seeing Will alive.
Daddy, mommy said you were up there, Ari tells Will pointing up to the clouds.

>No Ari I wasn't, daddy isn't really sure where he was, Will replies kissing Ari on the cheek as he holds her tight.<p>

Outside Rafe comes up to the apartment door and rings the bell and Sonny lets him in.

>How's Will doing Sonny, Rafe asks him?
OK considering Will lost over a year of his life, Sonny tells Rafe.

>Well I wanted to tell you both we exhumed the body from the grave and while we know it's not Will, we still have no clue who he was or why he impersonated Will, Rafe tells Sonny.
Sonny gets an uneasy look on his face at Rafe's mention of the imposter.

>Does Will know about the imposter yet Sonny, Rafe asks concerned?
No I haven't told him about it yet, Sonny replies to Rafe.

Rafe, how did I miss it, how did I ever accept that imposter as Will, Sonny asks him?

>Sonny, Paul Norita was the reason you didn't notice it wasn't Will, you allowed him to distract you because of your old feelings for him, Rafe tells Sonny.
You're right Rafe, how do I explain that to Will without upsetting him more then he already is, Sonny asks him?

>Sonny do you want me to tell Will for you about the imposter, Rafe asks him?
No I have to do it Rafe, Sonny replies.

>But could you stay while I tell him, Sonny asks Rafe?
Sure Sonny, Rafe replies.

>Sonny I think you should wait till Gabi and Ari leave before you tell Will, Rafe tells him.
Good idea I don't want Ari to see Will's reaction if he doesn't take the news well, Sonny replies to Rafe.

>Rafe signals Gabi that he needs her and Ari to leave.<p>

2. Chapter 2

Rafe, Sonny what's going on why did you signal Gabi and Ari to leave like that, Will asks?

>Will I need to tell you something and I know it's going to be hard for you to understand, Sonny tells Will.
Sonny what is it, Will asks worried?

>Babe while you were gone for over a year a man was here impersonating you, Sonny tells Will.
Wait what Sonny, Will replies shocked.

>You mean someone was living with you as me, your husband and Ari's father, Will asks Sonny shocked?
Yes Will, Sonny replies looking

at the floor.

>Will I, Sonny starts to say then stops.
No wonder you all kept telling me I was murdered, it was the man pretending to be me that was killed, Will says shocked.

Will sits thinking for a minute trying to process what Sonny just told him.

>Sonny wait I don't understand one thing, you know me how come you didn't realize he wasn't me, Will asks confused?
I should have Will, but I was distracted, Sonny tells him sounding ashamed.

>Sonny wait first you tell me a imposter assumed my life while I was gone, now you say that you didn't know he wasn't me because you were distracted, Will replies confused.
Sonny what the hell were you so distracted by the club, WHAT, what could possible have distracted you enough to not realize the man you were living with was not me, Will asks Sonny sounding angry?

>Will It was my former boyfriend, he came back to town and well he still loves me and I was confused because you, no he was acting so strange and even cheated on me with my former boyfriend, and he was lying to me and blackmailing people, Sonny tells Will with his head down.<p>

Former boyfriend, you were distracted by a former boyfriend so much you didn't realize the man you were living with wasn't me, who the hell is this former boyfriend of yours, Will asks Sonny angry?

>Paul Norita, Will the imposter was writing a story about him for Sonix and he slept with Paul to get it and I found out, Sonny tells Will.
Sonix he worked for them, I would never, and he cheated on you with him, just to get the story and that didn't tip you off that he wasn't ME, Will asks Sonny?

>Just who is Paul Norita, oh wait isn't he a pitcher with a mean fastball, Will asks?
Yes he was till a shoulder injury ended his career, Will, I had asked Paul to marry me once when we were together, he turned me down because he wasn't out yet and wasn't willing to come out and with the imposter cheating on me and lying I was so confused, Sonny tells Will.

Will none of us knew it wasn't you, Rafe tells him.

>Rafe, Sonny is my husband and he should know me well enough to know it wasn't me, Will replies upset.
You slept with him Sonny, you lived with him and let him near our daughter, he wore my cloths and used my things, Will says horrified to Sonny.

>Will I'm sorry, Sonny tells him.
Your sorry, you didn't know for over a year that man wasn't me even with him cheating on you, Will asks Sonny angry?

>I can't believe this is happening, I can't believe my own husband could be fooled like that, Will tells Sonny.<p>

I need some air, Will tells Sonny and Rafe.

>Will runs out of the apartment.
Sonny calls after Will, but he just keeps running.

>Sonny hears a car start up as Will runs away from the apartment.
Rafe someone is following Will, Sonny tells him alarmed.

>Don't worry its JJ, I assigned him to guard Will, he'll make sure he stays safe, Rafe tells Sonny.<p>

Will runs to the park and sits on a bench and cries.

>Paul Norita is out walking thru the park when he sees a man crying and goes over to check on him.
Sir are you OK, Paul asks Will.

>Yes if loosing over a year of your life is OK and finding out your husband could not tell an imposter from his own husband because of an old boyfriend distracting him, Will replies looking up.
WILL, Paul yells shocked.

>I'm sorry do I know you, Will asks Paul confused?
Will it's me Paul, Paul Norita.

>Paul Norita you're the man my husband was so distracted by that he didn't know he was living with a imposter for over a year, Will says looking at him.
An imposter wait you mean the man I slept with was not you, the one who tried to black mail my mom was not you, Paul says shocked.

No it wasn't Paul, Sonny tells him as he walks up.

>Paul Norita this is my husband Will Horton, Will this is Paul Norita, Sonny says in introductions.
So wait the imposter cheated with him on you and he is your old boyfriend and he distracted you so much you didn't know the man you were living with wasn't me, Will yells at Sonny getting up and running off again.

Will, Sonny call's out running after him.

>Paul runs after Will and Sonny still shocked by this turn of events.
Sonny how could you, I thought you knew me, I spent over a year chained to a wall in a dim windowless room and you just carried on with another man in my place like nothing was wrong, Will yells at Sonny.

>Dim windowless room, babe I think your memory of the last year is coming back, Sonny tells him.
Sonny I don't care about that right now I need to understand you, I thought I did and I thought you understood me, Will tells him.

>Will I love you please come home, Sonny asks him.
Will looks at Sonny for a moment.

>Sonny I can't even look at you right now please leave me alone, I'll stay with my dad for a few days, Will tells him.
No Will please, Sonny replies.

>Please Will don't leave me not after I just got you back, Sonny tells Will trying to put his arms around him.
Will pulls away from Sonny.

>Sonny I still love you and I'm not leaving you I just need time to think to sort all of this out, Will tells Sonny.
OK babe I'll go home and pack you a bag Sonny tells Will.

>NO, no I won't wear stuff he wore, I'll buy some new things, oh wait I don't have my wallet or phone, I guess he used them too, I guess he used everything including you, Will says walking away from Sonny.<p>

Paul looks at Will and then at Sonny still shocked.

>So that wasn't Will that died, Paul says shocked to Sonny?
No it was an imposter, Sonny replies to Paul.

>The man that just walked away that I hurt and betrayed and let down is my real husband, Sonny tells Paul walking away depressed.<p>

Will sees several people he knows as he walks to his dad's place, they're all shocked that he's alive, but Will doesn't stop to talk to them.

>Will walks up to his dad's door and knocks and is shocked when Adrienne opens it.
Adrienne are you and my dad together, Will asks confused?

>Yes Will we are, Lucas tells him.
Well I guess I can't stay here then, Will says walking away to Adrienne and Lucas.

>Wait stay with, what happened between you and Sonny, Adrienne asks concerned?
Will stops and turns around and looks at Adrienne and his father.

>Well let me see your son lived with a lying cheating whore for over a year and for some reason that I can't understand he couldn't tell it wasn't me, all he keeps telling me is he was DISTRACTED by Paul Norita when I ask why, Will tells Adrienne.
Will walks away.

>Will wait come back, Sonny didn't mean to hurt you, Adrienne calls after Will.
Lucas, Will left Sonny, Adrienne says crying.

>Adrienne I'm going after Will, you go find Sonny, Lucas tells her.
Maybe we can help them thru this mess, Lucas tells Adrienne.

Lucas looks for Will but can't find him then he has a thought of where he might go.

>Lucas finds Will at the Pub.
Will, are you OK, Lucas asks him?

>Yes but I think I scared great grandma Caroline, I guess no one told her I was alive, Will tells Lucas.
Will let me go check on her then we'll talk OK, Lucas tells him as he runs into the kitchen.

>Can I get you something a waitress asks Will after Lucas leaves?
I have no money so unless my dad buys I guess not, Will replies to the waitress.

>Your grandmother said I should get you anything you wanted on the house, the Waitress replies.
A burger and Fries and coffee then, Will tells the Waitress.

Lucas returns to the table with Caroline.

>Will I can't believe it, you're alive, Caroline says hugging him.
Great grandma Caroline, Will replies hugging her back.

>I'm sorry if I scared you when I came in I thought someone had already told you I was alive and back, Will tells her.
Will are you OK, Caroline asks him concerned as she looks at his sad face?

>Well grandma, my husband couldn't tell he was living with an imposter for over a year so I guess I not doing OK right now, Will replies to Caroline.
Will look I know the last 24 hours have been tough on you and it's a lot to take in, but Sonny loves you, Lucas tells him.

>I know that Dad but how can I ever trust him again if he couldn't tell another man wasn't me for over a year even with all the imposter did that I would never do, Will asks Lucas.
I mean Sonny's only defense is an old boyfriend distracted him, Will adds.

Will I'm sorry that's all I can say beside I love you, Sonny says as he walks into the Pub followed by Paul.

>Will look Sonny is Sorry, Paul tells him.
Paul I don't know you, I realize you think you know me since you apparently slept with the imposter but please stay out of this, please its between Sonny and I, Will yells at Paul.

>Will takes a deep breath.
Paul I'm sorry I shouldn't have yelled at you like that I'm sorry, I just can't handle any more today, Will tells him.

>Its OK Will, Paul replies.
But Will please listen to Sonny he loves you, Paul says before he closes the door.

Sonny sits down with Will at the table and Caroline returns to the kitchen so they can talk.

>Dad can we be alone, Will asks Lucas?
Sure Will, Lucas says as he moves to another table.

>Will, look I screwed up bad I know that, but I love you not Paul, Sonny tells him.
Sonny you didn't need to tell me that, I know you love me and not Paul, I guess I'm feeling overwhelmed by what's happened and I don't know how to handle it, Will replies to him.

>Babe we can get thru this if we stick together Sonny tells Will taking his hand.
Sonny I want you to tell me everything that's happened since I was kidnapped in as much detail as you can remember, Will tells him.

>Sonny fills Will in on everything that happened and everything the imposter did.
Will is horrified that not only could Sonny not tell the difference but his family and friends couldn't either.

>Sonny is there anything else I need to know, Will asks Sonny?
Babe we're going to need to find a new place to live after I thought I lost you I left Salem so I canceled the lease, Sonny explains to Will.

>Will sits quietly thinking about everything Sonny has told him that happened while he was gone.<p>

Will are you going to come home with me, Sonny asks?

>Sonny I can't come home with you, I need time to process everything that's happened, Will replies.
Sonny gets a depressed look on his face.

Will look I'm sorry, I really am I should have realized he wasn't you I'm sorry, Sonny tells Will.

>I know you are Sonny, that's the one thing I understand, that and that you love me and I love you, Will replies.
Babe please, Sonny says as Will gets up and leaves the pub.

Lucas gets up and joins Sonny.

>Sonny let him cool, Lucas tells him.
I take it Will hasn't forgiven you, Gabi asks Sonny as she walks into the Pub?

>No everything I say seems to upset or make him mad, Sonny tells Gabi and Lucas.
Do you blame him Sonny, I mean really he's right, you're his husband and you didn't know that man you were living with was not him, Lucas tells him.

>I guess I really screwed up Lucas, Sonny says as he leaves the pub.
Gabi tells Lucas to go after Sonny and she'll go after Will.

Will let's talk please, Gabi tells him after she catches up to him in the Square.

>Gabi how could this happen and how in the hell could Sonny not know that guy wasn't me, Will asks her?
Will I didn't know and I'm one of your best friends and our daughters mother, he acted so much like you and how could any of us even imagine that a imposter had taken your place, I mean thing like that don't usually happen except on TV, Gabi tells Will.

>Gabi, Sonny knows me better than anyone else or at least I thought he did, Will tells her.
I feel so betrayed that he didn't know the imposter wasn't me, Will adds crying.

Gabi, Sonny slept with that guy in our bed and made love to him and couldn't tell the body he caressed was not mine, he could not tell

the moves the imposter made weren't mine, Will says in anger to Gabi.

>And all he keeps telling me is he was confused and distracted by his old boy friend Paul, is life with me so bad that he was confused about his feelings enough to distract him, Will asks Gabi?
Will, the imposter acted enough like you that no he could not tell the difference, no one could and the changes in his personality happened over a period of time not over night, Gabi tells Will.

>So it's not his fault is that it, let me guess it's mine for being kidnapped and replaced with a imposter for over a year, Will asks Gabi?
Will I didn't say that, Gabi tells him.

>Will I think you need to cool off before you speak to Sonny again, Gabi tells him.
I wanted to do that and Sonny came after me, Will tells her.

>Look why don't you go and stay at the Hotel for a few days Will, Gabi suggests.
I can't I have no money and all my credit cards were canceled when the imposter was killed, Will explains to Gabi.

I pulled out some cash for you Will, Sonny says walking over to him and Gabi in the Square.

>I also paid for you to stay at the Hotel for a few days meals included, Sonny adds.
Gabi could you drive Will there and maybe take him to the store first so he can get some cloths and stuff, Sonny asks Gabi sounding very sad and depressed.

>Guys No please don't act like this you love each other, Gabi tells Will and Sonny in protest.
Sonny Please give me time to sort this all out, please, Will tells him.

>Will I love you, Sonny says as he and Gabi leave the Square.
I love you too Sonny, Will replies.

3. Chapter 3

Near Horton Square.

>Gabi is taking Will to the Hotel after he told Sonny he needed some time alone.
Will are you sure you want to be alone right now, if you don't want to be with Sonny then you could stay at Rafe's with Ari and I, Gabi tells him.

>Thanks Gabi I appreciate the offer but really I need to be alone to sort out my thoughts right now, Will replies.
OK but just remember you have a lot of people that love you and will do anything to help you, and Will, Sonny's at the top of that list, Gabi tells him.

At Will and Sonny's apartment a short time later.

>Sonny sits on the edge of the bed depressed and cries.
I can't loose Will not after I just got him back, Sonny thinks.

>No Will said he'll come home, he just said he needed some time alone to process everything that's happened, I'm not losing him, Sonny tells himself.
Sonny takes a deep breath and then dries his eyes, I need to keep myself busy, Sonny decides.

>I should finish packing our stuff, Sonny says out loud looking around the bedroom.
But first I should call Rafe and tell him what Will remembered tonight, Sonny thinks.

At the Hotel.

>Mr. Horton your husband Mr. Kiriakis prepaid your room, he also asked me to give you this suitcase, the hotel manager tells him.
Inside the suitcase Sonny has sent Will some of his own cloths to wear until Will can go shopping for new ones and his laptop.

>That was very sweet of him, Will tells Gabi.
Will he loves you very much, Gabi reminds him.
>I know that Gabi, I love Sonny very much too, Will replies.
Will is shown up to his room, and he settles in.
>Will are you sure I can't convince you to go home to Sonny, Gabi asks him before she leaves?
Gabi I need time alone to think about everything that's happened, I'm not here because anything Sonny did, it's just right now I keep yelling at Sonny and I don't want to keep doing that, I love him, I just need a little time alone to calm down and process everything that's happened, Will tells her.
>OK Will, but call me if you need anything OK or even if you just want to talk, I'll come by tomorrow with Ari and we can do a little shopping, Gabi tells Will as she leaves.
Will showers and puts on a pair of Sonny's boxers to sleep in.
>Will decides before he goes to bed to call Sonny and say good night, and to remind him he loves him very much and will come home to him as soon as he figures things out.<p>

Outside the Hotels main entrance JJ sits in his car watching the hotel, he remains there for a few hours until another officer relieves him.

In the Morning Will wakes up and orders breakfast, after breakfast he uses Sonny's lap top to pull up the local paper online and is surprised by some of the things that have happened in Salem while he was gone.

>Will also pulls up the articles that were written about Paul and his mom and realizes he already knows the articles word by word like he wrote them.
Could I have written these articles, Will wonders.

>For a moment he has a brief flash of memory where he is writing something but he doesn't know what it is, but a knock at the door breaks his train of thought.<p>

Will gets up and answers the door and is thrilled to see Marlena.

>Hi Grandma, Will says thrilled to Marlena as he hugs and kisses her.
Hello Will it's so good to see you, Marlena replies.

>How're you grandma, Will asks Marlena?
I'm fine Will, Marlena replies.

>So how're you doing Will, Marlena asks him as they sit down to talk?
Grandma this is all so strange for me, I mean from my perspective I just saw you yesterday and from yours I've been dead for months, its so weird, Will replies.

>It's also so frightening to lose the memories of almost 2 years of my life and to know there was someone here you all were calling Will Horton who was living my life, my life with Sonny and our daughter, Will tells Marlena.
I know Will, and I know it's a lot for you to take in especially in such a short time, but you have all of us here to help you thru it especially Sonny, Marlene replies to Will.

>Will, Sonny loves you so much, Marlena adds.
Grandma I know Sonny loves me and wants to help me, it's just that how do I, I mean he said, he told me he was confused about his feelings because of Paul Norita and that's why he didn't realize he was living with a imposter for over a year, Will tells Marlena.

>Will are you afraid he would have been confused if it had been you that was here and not the imposter, Marlena asks?
Yes a little grandma, Will replies to Marlena.

>Will the imposter did things you would never do to Sonny like cheating on him and all the lies and paranoia, that's why he was so confused about Paul, Marlana Replies to Will.
Grandma I understand what you're saying, I do, and your right if I hadn't been kidnapped and replaced with a imposter Sonny would never have been confused about his feelings for his old boyfriend, Will tells Marlana.
>Well Will if you understand that then why don't you go home to Sonny, he misses you so much and I know you miss him, Marlana replies.
You're right grandma, I'm going to have Gabi drive me home, she's coming here any minute with Ari, Will tells Marlana as he kisses her.
>Thanks grandma, Will tells Marlana as she leaves.
I love you Will, Marlana says as she goes out the door.
>I love you to grandma, Will replies to Marlana as he hugs and kisses her again.<p>

A few minutes later Rafe comes over to ask Will about what Sonny said he had remembered the night before.
>Will, Sonny said you remember being chained to a wall in a windowless dimly lit room, Rafe tells him while looking at his notes?
Yes I remembered that last night Rafe, Will replies.
>Did you remember anything else since then, Rafe asks Will?
I had a brief flash of memory a little while ago Rafe as I read the articles on Paul and my mom, it was like I could almost remember writing them, Will replies to Rafe.
>Rafe writes down in his notes what Will just told him.
Will tries to remember more and gets frustrated.
>Rafe why can't I remember what happened to me while I was gone, why do I remember the day Sonny and I argued about money like it was yesterday, this is all so frustrating, Will tells Rafe.
Rafe sees the frustration in Will eyes and puts his hand on Will's shoulder to comfort him.
>It's going to be all right Will, Rafe tells him.
Is it, Will asks Rafe?
>Will your home and with all the people that love you, hopefully your memory will return in time, but in the mean time you should try to get back to living your life, Rafe tells him.
By getting back to my life you mean back to Sonny, Will replies to Rafe smiling.
>Yes I do Will, Sonny loves you very much and I know you love him, Rafe replies.
Rafe, grandma Marlana was just here and we had a long talk and I'm going home to be with Sonny, Will tells Rafe.

>Will that's great news, Rafe replies relieved.
Would you like me to drive you home, Rafe asks Will?
>No thanks Rafe, Gabi and Ari should be here any minute and she'll take me home after we do some shopping, Will replies.
I need some new cloths to wear, some how wearing my old ones after someone else wore them freaks me out, Will tells Rafe.
>I think that's understandable Will, Rafe replies.
Well Will I'd better get going I'm on duty, and you need to get ready for Gabi and Ari, Rafe tells Will.
>Will nods and walks Rafe to the door.
Will if you remember anything no matter how small it might seem I want you to call me alright, Rafe tells Will.
>I will Rafe, Will replies.
Rafe turns around to face Will before leaving.
>Will have I told you how great it is to have you back, Rafe asks him.
Thanks Rafe, Will replies.

A few minutes later Gabi and Ari arrive at Will's hotel room but find

it empty.

>Gabi asks the hotel manager and he tells her he hasn't seen Will since last night and as far as he knows he's still up in his room.
The Hotel Manager calls the staff together to ask them if they saw Will Horton and no one has since his breakfast was cleared away.

>Gabi becomes alarmed and calls both Rafe and Sonny.
Rafe calls the officer watching the hotel and the officer tells him Will didn't leave the Hotel, Rafe orders a search of the Hotel but there's no sign of Will, so Rafe orders all Officers to conduct a search of Salem for Will Horton.

At Will and Sonny's apartment.

>Sonny practically has had a panic attack after being told Will is missing by Gabi.
Rafe calls and tells Sonny to stay at the apartment in case Will goes there.

>Rafe sends Gabi back to his apartment with Ari in case Will goes there.
Sonny sits staring at the apartment door hoping Will is going to walk thru it and come back to him.

An hour later the door to the apartment suddenly opens and Will walks in.

>Will thank God, Sonny calls out excited.
Hi Sonny, Will replies as he kisses him.

>Will where have you been, Sonny asks him?
I went for a walk to think things over Sonny, Will replies.

>Sonny breaths a sigh of relief.
Will can you ever forgive me, Sonny asks him?

>Yes Sonny I forgive you and I love you, Will replies kissing him again.
Will and Sonny get caught up in the moment and wind up making love.

Afterward as they lay cuddling in bed they talk.

>Sonny how are we going to pay the rent and buy food now that you used the money from the savings account for the new club, Will asks?
I mean I assume you have a plan, Will adds.

>What savings account, what new club, wait babe that all happened almost 2 years ago, Sonny tells Will as he sits up in bed.
2 years ago, Sonny Horton Kiriakis are you playing some sort of joke on me, Will asks him?

>No Will I'm not, Sonny replies worried.
Babe what year is it, Sonny asks Will?

>2014, Will replies to Sonny.<p>

Sonny picks up his phone and calls Rafe and asks him to come right over.

>Sonny jumps up and throws on his cloths, meanwhile Will remains in bed confused by Sonny's actions and why he asked him what year it was.
Rafe meanwhile races to the apartment.

>Sonny what's wrong, is it Will, Rafe asks as he enters the apartment a few minutes later?
It's happened again, Will lost all his memories of the last 48 hours, Sonny tells Rafe.

>Rafe looks at Sonny shocked.
Rafe he thinks its 2014 again, Sonny tells him.

>Will hears Rafe's voice and decides to find out what's going on, so Will throws on his cloths and goes into the living room.
Hi Rafe, I haven's seen you in a few days, Will tells him as he sits in a chair.

>Rafe gives Will a worried look.
Will you just saw me at the hotel a few hours ago, Rafe replies?

>I just saw you, Rafe is this some sort of joke you and Sonny are playing on me, Will asks?
Will , Sonny and I aren't playing a joke on you, look around the room doesn't it look different to you, Rafe asks him?
>Yes why are our things packed up Sonny, Will asks?
And how did you do it so fast, Will adds confused.

Sonny crouches down in front of Will and holds both of his hands and looks into his eyes.
>Will its 2016, Sonny tells him.
Stop this damn joke already, it's not funny, Will yells at Sonny and Rafe standing up.
>Will its no joke, Rafe replies to him.
Will look at this newspaper, look at the date, Rafe tells him.
>NO it can't be, Will replies to Rafe and Sonny shocked as he reads the date over and over again.
It's 2016, but how Sonny, Rafe, why can't I remember the last year and a half of my life, where was I, what happened to me, Will asks them scared?
>That's what we're going to find out Will, Rafe replies.<p>

Sonny I want you to take Will to the hospital, he needs to be checked out again, Rafe instructs him.
>Rafe why did you just say "He needs to be checked out again" Will asks Rafe?
Rafe and Sonny exchange worried looks.
>Rafe, Sonny whats going on, Will asks looking at them both?
Babe you lost all your memories for almost 2 years of your life and now you lost the last 48 hours as well, Sonny tells Will.
>Last 48 hours, Will replies puzzled to Sonny.
Will you came thru that door the day before yesterday just like you did today thinking it was still 2014, Sonny tells Will.
>So I came back the day before yesterday and somehow I forgot it, how, how could that happen, why did this happen, Will asks Sonny?
We don't know how or why this happened Will, Sonny replies.

>Babe that's why you need to be checked out, because we don't know, Sonny tells Will?
OK Sonny, Rafe I'll go, Will tells them both.

>Don't worry babe we'll get thru this together, Sonny tells Will kissing him and holding his hand.<p>

At the hospital.

>Will is subjected to many test to rule out any physical cause for his memory loss and no physical cause can be found.
Roman calls Marlana and ask her if Will might have been hypnotized to make him forget the time he has lost.

>It's possible Roman, I 'll see if I can get Dr Harold Richardson to come see Will, he knows a lot about hypnosis, Marlana tells Roman.
Marlana makes the call and arranges for Dr Richardson to come and see Will.

>Roman, Dr Richardson will see Will tomorrow at the Hospital, he's very interested in the case already, Marlana tells Roman.
Thanks Marlana, Roman replies.

>Rafe, good news Marlana just called and she arranged a Dr to come tomorrow to see Will, hopefully he'll be able to tells us if Will has been hypnotized.
That's great Roman, Rafe replies.

>Roman I was thinking maybe we should call Victor and ask him to take Will and Sonny in for the time being for their protection.
I think you're right Rafe, I think we'll sleep better knowing the boys are in a safe place, Roman tells him.

>Rafe calls Victor and he agrees to take in the boys and he tells him he's coming there himself to tell them.<p>

Meanwhile all of Will's test results are in.

>The examining Dr. enters Will's room to give him and Sonny the results.
Well Will there's no physical reason for your memory losses, all the test show you're in perfect health, the Dr tells him.

>So can I go home now, Will asks the Dr?
No Will we need to keep you for the next 48 hours for observation, the Dr replies to him.

>But I'm fine, you just said so, Will replies in protest to the Dr.
Will we can't find any physical reason for your memory loss, but that doesn't mean it won't happen again, the Dr. replies.

>Please babe stay, do this for me, Sonny asks Will?
OK Sonny, Will replies.

>Will tomorrow a Dr Harold Richardson is coming to see you, he specializes in hypnosis.
Hypnosis, you think someone used hypnosis to erase my memory, Will asks the Dr shocked?

>Will we have ruled out physical causes this is the next step to take, The Dr replies.
After the Dr leaves Will looks at Sonny worried.

Victor arrives at the hospital and Rafe has a long talk with him about Will.

>Victor makes several calls and then goes to see Sonny and Will.
Hello Will, it's good to see you again, Victor says as he enters the room.

>Hello Victor, Will replies offering him his hand.<p>

Will I want you and Sonny to stay at the mansion until we figure out what happened to you and why, Victor tells him.

>Babe I think its a good idea, Sonny tells Will.
Will thinks a minute.

>OK Victor, Sonny, Will replies.
Sonny I'm having your bags brought to the house from the apartment today and Will I having a few items purchased for you as well, Victor tells them.

>Victor turn to Sonny.
Sonny I know the lease on your apartment ends this month so I'm having all your stuff put into storage for you, this way you can spend more time with Will, Victor tells him.

>Thanks Uncle Vic that's a great help, Sonny replies.
Well Sonny I'll see you at home, Will it's really great to have you back, Victor says as he leaves the room.

4. Chapter 4

Will has suffered another mysteries loss of memory and no physical cause can be found for it.

>Will lies in bed in the hospital with Sonny sitting beside him.
Sonny what's been going on in Salem since I've been away, Will asks?

>Babe I don't know where to start, Sonny replies to Will.
Well Sonny where is my Mom and EJ for starters, Will asks him?

>Will, EJ is dead, and your mom moved with the kids to California, but I don't know where they are now, no one does, rumor has it that she stole a lot of money from the DiMera's, Sonny tells him.
Stefano must be looking for her then, Will replies to Sonny worried.

>No Stefano is also dead Will, he was killed by Andre DiMera who is

in Jail now, Chad and Abby live at the DiMera Mansion now with their son Thomas Deveraux, Sonny explains to Will.<p>

Abby and Chad have a child, Wow, but why is he named Deveraux and not DiMera if he's Chad's son, Will asks ?

>Well you see Abby was with Ben Weston and they were to be married because at the time it was thought the baby she was carrying was his, then well Ben went nuts and killed four people to frame Chad, after Ben was caught they discovered that the baby was actually Chad's and since Chad and Abby weren't married yet the child has Abby's last name, I don't know if they plan to change it or not babe, Sonny explains to Will.
Are Abby and Chad married now, Will asks Sonny?

>Yes babe they are, Sonny replies.<p>

Will did you hear me before when I told you EJ was dead, Sonny asks Will?

>Yes Sonny I did, Will replies.
Why, Will asks Sonny?

>Well Will you were close to EJ, I just assumed you would be upset to learn he was dead, Sonny replies.
No I'm not upset Sonny, Will tells him.

>Sonny looks at Will worried.<p>

What about Grandma Marlana and Uncle Eric how are they, Will asks Sonny?

>Eric was sentenced to 5 years in prison for killing Daniel Jonas while drunk driving on News Years day, Sonny tells Will.
Uncle Eric killed Daniel Jonas while drunk driving, Uncle Eric is in Prison for 5 years, I can't believe it, why was he drunk to began with, Will asks Sonny?

>Eric was in love with a woman who was murdered and he took her death very badly, she was the first victim of the neck tie strangler that menaced Salem last fall, the killer was later reveled to be Ben Weston, Sonny explains to Will.<p>

Who else did Ben murder and why did he do it, you said he went nuts before, but why, Will asks Sonny?

>Ben was trying to set up Chad because at the time Ben was engaged to Abby, but Abby was still in love with Chad and he wanted to destroy her feelings for Chad, Sonny tells a shocked Will.
So Ben killed four people just to frame Chad, Will repeats shocked.

>Babe there's more I have to tell you, but I don't know how you're going to react when I do, I hope not like the last time I told you, Sonny tells Will.
How did I react before, Will asks Sonny?

>When I told you all this before Will you felt completely overwhelmed by it and you blamed me for not realizing what happened, Sonny replies to Will.
Blamed you Sonny for what, Will replies puzzled.

>Sonny remains quiet for a minute wondering if he should tell Will about the imposter.
Sonny please I need to know, Will says taking Sonny's hand.

Babe Ben killed four people and one of them was you, Sonny tells Will.

>Sonny I was kidnapped and only just came back, so how could Ben have murdered me, Will asks confused?
Will while you were gone there was a imposter living your life here and he was killed by Ben when he discovered that Ben was the killer, Sonny tells Will as he watches for any sign of the reaction he had before.

>So that imposter was here and everyone thought he was me, so that's

why no one realized I was kidnapped, wow I had no idea that's what happened, Will replies to Sonny.
Babe aren't you upset to learn there was a imposter here while you were being held for a year and a half, Sonny asks Will?

>Not really Sonny, Will replies.
So what else happened in Salem, Will asks Sonny?

>Sonny looks at Will confused by his lack of reaction to the news about the imposter.<p>

Well Ben tried to kill Marlana but Chad saved her, Sonny tells Will.

>When it was discovered that Ben was the killer he kidnapped Abby, the stress caused her to go into early labor so Ben kidnapped a midwife to deliver the baby and then he killed the midwife, then Ben tried to kill Chad and Abby and he stole the baby, but he was caught and the baby returned to Abby, Sonny tells Will.<p>

I guess I should also tell you babe that John Black has a son, his name is Paul Norita he's an ex baseball player, and he was also my former boyfriend who I once proposed to but because he wasn't out he said no, Will the imposter slept with Paul to get his coming out story for Sonix which is where the imposter worked, Sonny tells Will.

>You must have been very upset by his betrayal thinking that he was me, Will replies to Sonny.
Yes I was babe, I also couldn't understand why he did it, Sonny replies to Will.

>Will I should also tell you that Paul's being in Salem and the odd way the imposter was acting left me feeling confused about my feeling for you and Paul, Sonny explains to Will.
Sonny sits and looks at Will waiting for him to react, but he doesn't.

Babe whats wrong, Sonny asks Will?

>Nothing is wrong Sonny, Will replies.
But Will you're not reacting at all to the things you reacted to before, Sonny tells him.

>Sonny I'm sorry if I'm not reacting like you think I should or like I did before, Will replies.
Sonny stares at Will for a minute worried.

Sonny please don't worry I'm OK, Will tells him taking his hand.

>Come on I have more questions, how's great grandma Caroline doing, Will asks Sonny?
She's fine; she was ill for a while but is doing much better now, Sonny tells Will.

>What about your mom and dad Sonny, how are they, Will asks?
My parents got divorced and now my mom and your dad are together, Sonny tells Will.

>I'm sorry to hear that Sonny, Will replies.<p>

What about Maggie is she OK, Will asks Sonny?

>Yes she's fine, Sonny replies to Maggie.
Brady moved out of the mansion, he also no longer works for Titan, he has a son with a woman named Theresa that Uncle Vic hates, Sonny tells Will.

>SO who runs Titan then Sonny, Will asks?
Well Phillip did for a while but Uncle Vic fired him and threw him out, Sonny tells Will.

>Wow he fired his own son, Will replies surprised to Sonny.
But who is running Titan then Will, asks Sonny again?

>I don't know Will, Sonny replies.
Maybe Victor will ask you to run it, Will tells Sonny.

>Will why are you so interested in Titan all of a sudden, Sonny asks him?
>I'm not, I mean I was just asking, Will replies to Sonny.

>You know Sonny I can't wait to move into the Kiriakis Mansion, Will tells Sonny with a strange look in his eyes.

Will I don't understand it, I mean the first time I told you all of this you reacted completely different then you are now, Sonny tells Will.

>Now you're interested in Titan when you never gave it a thought before and you can't wait to live in the mansion, this is all very strange, Sonny tells Will.
>I don't know what to tell you Sonny, I don't know why my reaction is different now then you said it was before, or why you seem to think my interest in Titan is so strange, Will replies.

>It must have something to do with when you disappeared from the hotel this morning Will, when you came home you had forgotten everything from the previous 48 hours, Sonny tells him.
>Sonny, I don't understand how losing my memory could affect how I react or what I'm interested in, Will replies.

>I don't know either Will, Sonny tells him worried.

Babe maybe you should get some sleep you look very tired, Sonny tells Will.

>OK Sonny then you might as well go to the Mansion and get some sleep yourself, Will says giving him a kiss.
>Sonny leaves Will's room worried about his reactions to everything he told him and curious about his interest in Titan and about how excited he is to live at the Mansion, so he calls Rafe.

Sonny sits in his car in the parking lot and pulls out his phone.

>Rafe I just left Will and he's acting strange, I told him about the imposter and he had almost no reaction to it and suddenly he's thrilled to be staying at Uncle Vic's, he also had no reaction to EJ's death and is suddenly interested in Titan, Sonny tells Rafe.
>You're right Sonny that is all strange, hopefully tomorrow we'll get some answers, Rafe replies.

>Marlena is bringing Dr Richardson first thing in the morning to see Will, so go home and get some sleep and don't worry we'll figure this out OK, I'll meet you at the hospital in the morning, Rafe tells Sonny.
>All right good night Rafe, Sonny replies as he hangs up the phone.

In the morning.

>Sonny has a quick breakfast then heads out to the hospital stopping on the way to buy red roses for Will.
>Hi babe, Sonny says as he enters the room with the red roses.

>Sonny there beautiful, thanks, Will replies sniffing them.
>Sonny and Will kiss for a few minutes.

Marlena arrives along with Dr Richardson to see Will.

>We're sorry to interrupt you gentlemen, Dr Richardson tells Will and Sonny.
>Will, Sonny I'd like you to meet Dr Harold Richardson, he's going to try and help you remember everything you forgot, Marlena tells Will.

>Harold this is my grandson Will Kiriakis Horton and his husband Sonny Horton Kiriakis, Marlena tells him.
>It's a pleasure to meet you both, Dr Richardson tells Will and Sonny as he shakes both their hands.

>Dr what are you going to do to help me remember, Will asks Dr Richardson?
>Will do you know what hypnosis is, Dr Richardson asks him?
>Yes I know, Will replies to Dr Richardson.
>So you're going to hypnotize me then Dr Richardson, Will asks him?
>Yes I am, does that bother you Will, Dr Richardson asks?
>No, Will replies to Dr Richardson.
>Marlena would you and Sonny please leave the room, Dr Richardson asks them?
>Marlena and Sonny leave the room.

After they leave the room Dr Richardson darkens the room by closing the blinds and turning out the lights.

>Dr Richardson begins putting Will under hypnosis, after Will is under he asks Will questions about where he was for the year and a half he was gone.
>I don't know, Will replies when Dr Richardson asks him where he was.

>Will can you describe the room you were held in, Dr Richardson asks?
>NO I can't, Will replies to Dr Richardson.

>Will there is a restraint on your left ankle what is it attached to, Dr Richardson asks?
>I don't remember, Will replies to Dr Richardson.

>Will where did you go when you left the Hotel the other day, Dr Richardson asks?
>I don't remember, Will replies to Dr Richardson.

>Dr Richardson realizes that he can't recover any of Will's memories in this session.

Dr Richardson wakes Will up and opens the blinds and turns on the lights and calls Marlena and Sonny back into the room.

>Well as I expected Will has many roadblocks in his mind blocking the memories, Dr Richardson tells them.
>So what does that mean Dr Richardson, Sonny asks?

>It means whoever hypnotized Will did a thorough job, it's going to very difficult to break down the road blocks they put in, Dr Richardson replies to Sonny.

So Will was definitely hypnotized, Rafe asks Dr. Richardson and Marlena as he enters the room.

>Yes there's no doubt Rafe, Marlena replies.
>All Will's memories of when he was kidnapped and held as well as the 48 hours from when he first came back home have been blocked, Dr Richardson explains to Rafe.

>To make matters worse who ever did it has to be here in town, Will must have been hypnotized when he was at the Hotel probably because he was beginning to remember, Dr Richardson tells Rafe, Marlena, Sonny and Will.

5. Chapter 5

So someone doesn't want Will to remember what happened to him, Sonny asks Dr Richardson?

>That's correct Sonny, Dr Richardson replies.
>But why would someone go through all the trouble to kidnap me and replace me with a double, Will asks?

>We don't know that Will, maybe if we could identify the body of the imposter we might get some leads, Rafe tells Will.
>Dr Richardson is Will going to have to stay here or can I take him home, Sonny asks?

>He can go home with you Sonny, but he needs to be kept safe, Dr

Richardson tells him.
The Kiriakis mansion is a fortress, Will is going to be safe there, Rafe tells Dr Richardson.

Dr Richardson, if you want you can work with Will at the Kiriakis Mansion, Sonny tells him.

>All right Sonny, Dr Richardson replies.
Will I'll begin my work with you tomorrow, if that's OK with you, Dr Richardson tells Sonny.

>Will and Sonny arrive at the mansion and are greeted by Victor, Maggie, Brady, Adrienne, Justin and Lucas.
Welcome home to Salem Will, everyone shouts as he enters the living room.

Gabi and Ari arrive a few minutes later.

>Daddy, Ari yells out running to him.
Will picks Ari up and he gives her a big hug and a kiss.

>Ari how big you've gotten, Will says astonished as he looks at her.
Hi da da, Ari says giving him a big kiss as he takes her from Will.

>Dad, Will calls out its so good to see you, Will says hugging him.
Son I've missed you, the real you I mean, Lucas tells Will.

>Will it's so wonderful to have you back, Adrienne tells him as she hugs and kisses him.
Will it's so great to have you back, Brady says as he hugs him too.

>Maggie hugs and kisses Will and Justin shakes his hand and then hugs him.
Well if everyone is done hoarding Will, I just like to say welcome home Will you have been missed, Victor tells him.

>Thank you Victor, thank you everyone it so great to be back with my family again, Will tells everyone.
Well I've having the cook make a special dinner to welcome Will home tonight, in the mean time lets let him get settled in, Maggie tells everyone.

>Will we'll see you later then, everyone tells him as the leave the house.<p>

Sonny leads Will up to their room.

>Well Mr. Kiriakis Horton what should we do till dinnertime, Sonny asks him with a mischievous look in his eye?
Will pushes Sonny down on their bed and strips off first his own shirt then Sonny's.

>My thoughts exactly, Sonny says in between kisses.<p>

A short time later.

>Will that was fantastic, Sonny tells Will as they lay back on their bed.
It was fantastic for me too Sonny, Will replies as he kisses Sonny.

>Will and Sonny cuddle for a while.
Sonny can I ask you something, Will turns to face Sonny in bed as he asks?

>You can ask me anything babe, Sonny replies to Will.
Sonny what was the imposter like, Will asks him?

>You mean in general or in bed, Sonny asks Will?
Well now that you mention it how was he in bed Sonny, Will asks curious?

>I mean did he do any of the things I do, Will adds.
Well no he didn't, I mean he wasn't that interested in sex, Sonny replies to Will.

>So then you didn't really enjoy it with him like you do with me, Will asks?
No babe, Sonny replies to Will.

>And you didn't think it was strange for me to suddenly change Sonny, Will asks him?
Well I thought at first we were just settling into normal married life like I've heard other couples do, Sonny replies.

>Besides that he and I were arguing a lot of the time, and then he took of the California for a while, Sonny tells Will.
California, Will repeats puzzled to Sonny.
>He, the imposter went to help Sami and the kids settle in after EJ died and also to write for a movie based on Sami, Sonny tells Will.<p>

Will lays on his back thinking for a minute.
>Babe are you all right, Sonny asks Will?
Yes Sonny I am this is just all so weird to me Sonny, I mean its like my life has been fast forwarded and it's also so strange to think someone was living my life while I was who knows where, Will tells Sonny.
>Babe I'll help you adjust, we'll all help you, Sonny tells Will hugging him.
I know you all will Sonny, I just worry about Ari, I doubt her young mind can grasp whats happened, Will tells Sonny.

>Don't worry babe it'll be fine, Ari doesn't need to know about the imposter till she gets older, Sonny replies to Will.
Hey everything is going to be fine babe, were together again and I love you, Sonny tells Will.
>I love you too Sonny, Will replies.<p>

Sonny's phone rings just as Will and Sonny begin round two and Sonny sees its Sami.
>Will it's your mom, Sonny says handing him the phone.
Hi mom, Will says to Sami.
>Will my god it's so good to hear your voice, I can't believe I have my son back, Sami tells him crying.
Mom it's great to hear your voice to, where are you, Will asks Sami?
>Will I can't tell you that for now, I just want you to know I love you Will, Sami tells him.
I love you too mom, Will replies.
>Mom are the kids with you, Will asks Sami?
Yes they are, Sami replies to Will.
>Sami puts the kids on the phone one at a time so they can talk to their big brother.
Will cries after he hangs up with them and Sonny wraps his arms around his husband to comfort him.
>After Will dries his eyes he looks into Sonny's eyes and says round two.
You got it babe Sonny replies as they start to make love again.

After making love all afternoon Sonny and Will shower and get dressed for dinner.
>Sonny I'm so glad Victor had some new cloths picked up for me, I really didn't want to wear the old ones after a stranger wore them, Will tell him.
How do they fit babe, Sonny asks Will?
>It looks like they got most of the sizes right, but I need to do a little more shopping, Will tells Sonny.
Babe those pants are way to baggy, I mean I really can't see you cute butt in them, Sonny tells Will.
>Well Sonny you can see it later, Will tells him.
Sonny laughs, I hold you to that Will.
>Come on we'd better get downstairs for dinner, Sonny tells Will taking his hand.<p>

Will great news, Victor has invited Ari and I to stay here too, Gabi tells Will and Sonny as they come down the stairs.
>That's great Gabi, isn't that great Ari, Will asks her as he carries her into the living room?
Thanks Victor, Maggie, for inviting Ari and Gabi to stay here, Will say's.
>You're very welcome Will, Victor replies.<p>

Will do all the cloths we bought for you fit OK, Maggie asks him?

>For the most part yes Maggie thank you, but I still need to pick up a few more things, Will replies.
Will I have something for you, Adrienne tells him handing him a box.

>Will opens it and finds 2 vests in his style and 2 shirts as well.
Thanks Adrienne, Will says kissing her on the cheek.

>Your dad and I did a little shopping, we assumed you wouldn't want to wear the cloths the imposter wore, Adrienne tells Will.
I asked Sonny to have all my old cloths donated to charity already, Will replies to Adrienne.

>Babe I hope you won't be upset by this but I did kept all the things I gave you like the books and other tokens of my love or you, Sonny tells Will.
No Sonny that's great, those things mean a lot to me, just get rid of anything you gave the imposter or he gave you OK, Will tells him.

>All ready done babe, Sonny replies.<p>

Well if this talk about Will's stuff is over its time to eat, Victor says.

>Everyone walks into the dinning room.
Victor gets up and proposes a toast to Will and how great it is to have him back.

>To Will, everyone replies clinking their glasses.
Thanks Victor, everyone its so good to be back, Will replies.

>Will suddenly gets a strange look on his face.
Babe what's wrong, Sonny asks him concerned?

>I don't know Sonny for a moment I saw a dimly lighted room but I don't know from where or when I remember it, Will replies.
Will I think your memory is starting to come back, I'd better call Rafe and Dr Richardson, Sonny tells him as he leaves the table to make the calls.

Rafe comes over to the Kiriakis Mansion a while later to speak to Will.

>Will what can you tell me about the dimly lighted room, can you describe it, Rafe asks him?
I saw a table with papers on it and a chair, I also saw a cot in the room, Will tells Rafe and Sonny.

>Anything else Will, Rafe asks?
No, Will replies frustrated.

>Will don't worry it may take time, but you'll remember, Rafe tells him.<p>

Later that night up in Sonny and Will's room.

>Sonny wakes up very late and reaches over for Will but he's not in their bed.
Will, Sonny call's out into the dark room.

>Sonny gets out of bed to look for Will.
Babe is everything OK Sonny asks outside the bathroom door?

>Babe are you in there, Sonny asks as he opens the door and discovers the room is empty.
Where can he be at this hour, Sonny wonders grabbing his robe.

>Sonny looks into Ari's room hoping he is in there, but he isn't.<p>

Sonny goes downstairs to look for Will, as he gets outside the living room he hears Will talking to someone on the phone.

>Sonny is curious at who his husband is talking to this late so he listens at the door.
I remembered the room, I told my husband and our family and the police, Will says in a monotone voice on the

phone.

>Yes I understand I will remember nothing about the room, Yes I understand, Will says to the person on the phone.
Will hangs up and Sonny hides while Will goes upstairs.

>Sonny follows Will up and watches him get into bed and go to sleep.
Will, Sonny says as he shakes him.

>Sonny what's wrong, why are you up, Will asks?
babe who did you just speak to on the phone downstairs, Sonny asks Will?

>Sonny I've been in our bed, I wasn't on the phone, Will replies.
Will I just saw you in the living room making a call to someone and you spoke to them in a monotone voice, Sonny tells him.

>Sonny I don't know what you're talking about, Will replies confused.<p>

Sonny hears a knock on the door and goes to answers it.

>Uncle Vic, is anything wrong, Sonny asks as he opens the door?
Were you both downstairs a few minutes ago, Victor asks Sonny and Will?

>No Victor I haven't been down there since everyone left earlier tonight, Will replies.
But Will I just saw you down stairs on the phone talking about the room you were in when you were kidnapped, Sonny says.

>Sonny what room, I don't know what room you're talking about, Will replies confused.
Will you told us at dinner you remembered the room you were held in, Sonny tells Will.

>Will looks at Sonny and Victor very confused.
Sonny I don't remember saying that or making a call downstairs, Will tells him scared.

>Will you told us you remembered the room you were held in, Rafe came over and you described it to him, Victor tells Will.
Victor, Sonny I have no memory of that at all, Will replies worried.

Sonny this call you heard Will make did you hear anything he said, Victor asks him?

>Yes Will said "Yes I understand I will remember nothing about the room, Yes I understand" all in a monotone voice Uncle Vic, Sonny replies.
Sonny call Rafe and get him back over here, Victor instructs him.

>Sonny calls Rafe and tells him what just happened.
I'll be right there Sonny, Rafe replies getting out of bed.

Sonny was Will on this landline or a cell, Rafe asks him pointing to the living room phone?

>Landline, he doesn't have a cell right now, Sonny replies to Rafe.
Rafe calls the department and has them find out who Will called and orders them to trace the call to where it was received.

Sonny what did Will say to whoever he called tonight, Rafe asks him?

>He said, "Yes I understand I will remember nothing about the room, Yes I understand", Sonny replies to Rafe.
And Rafe his voice was monotone the whole time, Sonny adds.

>The hypnotist, that's who Will called, Victor tells Rafe, Will, and Sonny.
I think you're right Victor, Rafe replies.

>Will must have been programmed to call the hypnotist if he started to remember anything, Rafe tells Victor, Will and Sonny.
We need to find out whoever this hypnotist is, and undo what he or she has done, Sonny tells Will, Rafe, and Victor.

>Rafe gets a call from the Salem PD and is told the call went to a disposable cell phone.
Damn, Rafe says as he hangs up the phone.

>Rafe fills in Sonny, Will and Victor about the disposable phone that received the call.<p>

In a room a woman throws out a cell phone and then makes a call on another one.

>Yes he started to remember, no I blanked it out again over the phone, if he does then I'll have to blank out all his memories, no because if I do he'll be useless to us, yes I'll speed up the plan, yes as soon as he gets it he'll put it into the agreed upon place for pickup, no he won't remember doing it, yes I'll keep you posted, the woman says as she hangs up.<p>
